

Request for Proposal: 100 Laptops

Request for Proposal

RFP-0012

ExampleCorp

November 15, 2025

Executive Summary

This RFP is to solicit proposals for the procurement of 100 high-performance laptops for our organization. The laptops are intended for our software development team and should meet the technical specifications outlined below.

Project Overview

This RFP is to solicit proposals for the procurement of 100 high-performance laptops for our organization. The laptops are intended for our software development team and should meet the technical specifications outlined below.

Scope of Work

The selected vendor will be responsible for supplying and delivering 100 laptops as per the specifications. This includes any necessary pre-installation of operating systems (Windows 11 Pro) and ensuring all hardware is fully functional upon delivery.

Technical Requirements

Processor: Intel i7 (or equivalent), RAM: 16GB, Storage: 512GB SSD, Display: 15.6 inch.

Delivery Requirements

All 100 laptops to be delivered to our head office at 123 Tech Avenue, Silicon Valley, CA 94043 within 4 weeks of the purchase order date. A detailed delivery schedule should be provided in the proposal.

Commercial Requirements

Proposals should include a detailed cost breakdown per unit, any bulk discounts, warranty information (minimum 2 years), and available support packages. Payment terms are Net 30 days after satisfactory delivery.

Vendor Qualifications

Vendors should be authorized resellers of major laptop brands and have a proven track record of fulfilling bulk orders for corporate clients. Please provide at least three references.

Evaluation Criteria

Proposals will be evaluated based on cost-effectiveness, compliance with technical specifications, delivery timeline, warranty and support services, and vendor reputation.

Submission Instructions

Please submit your proposal in PDF format via email to john.doe@examplecorp.com by 5:00 PM PST on October 26, 2023. Late submissions will not be considered.
